

Certificate

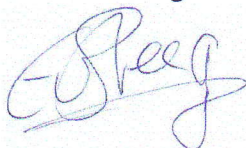

Date: 02-03-2018

We, Moba B.V.

Address: Postbus 7
Stationsweg 117
3770 AA Barneveld
The Netherlands

hereby declare that the inkjet printer Zanasi Z5000 is successfully integrated and tested ok for printing on eggs in an Omnia egg grading machine. The software of the inkjet is fully compatible with the Moba inkjet protocol, meaning that messages can be programmed in the MMI software of Omnia and linked to products as used for egg grading.
